3 The latest efforts of this nefarious group have graduated to a level that demands action.
4 Their malicious attacks have gone too far. Their deception must be exposed. They must
5 face justice for their acts.

6 They mask their method as childish antics and "troll" behavior but this is a charade to hide
7 their true, far more sinister purpose. They antagonize targets to elicit engagement and
8 perpetuate discord. They aim to make the very act of addressing their claims or actions
9 appear to bring down the value of the content here. When lies go unchallenged, some may
10 begin to believe them.

11
12 begin to believe them.

13 This group also aims to raise their profile and profits by exploiting the explosive growth of
14 the fantastic audience here, while they continue to deceive and attempt to take advantage of
15 the Crowdsourcing community.

16 To more effectively neutralize their efforts, Crowdsourcing the Truth will go back to ignoring
17 them and remain dedicated to investigative journalism, crowdsourcing fact checking and the
18 serious work we have all set out to do. If you also wish to ignore these individuals, please
19 continue to enjoy that effort here.

20 Those interested in learning how the misguided, malignant personnel are carrying out their

As seen in Exhibit One defendant Goodman published a video entitled “The Webb of Lies and the Lying Liars Who Weave It....”. May 9, 2018. The video features the undersigned in a dunce cap, straight jacket and a jail booking placard that reads “CRAZY DAVE”. [Exh. 1].

12 SIXTH DECLARATION OF D. GEORGE SWEIGERT

13 Now comes D. George Sweigert, a non-attorney layman and California licensed Emergency Medical Technician, to
14 affirm and attest the facts described below under penalties of perjury. The undersigned attests and affirms that all
15 attached exhibits are true and accurate copies of sources (such as Internet web sites or e-mail messages).

16 I. JASON GOODMAN DISPARAGES THE NAME OF THE COURT

17 Defendant Jason Goodman has released yet another video production on yet another YouTube channel –
18 “Crazy Dave's Insane-a-torium”, which is a reference to the undersigned. As seen in Exhibit One defendant
19 Goodman published a video entitled “The Webb of Lies and the Lying Liars Who Weave It...”. May 9, 2018. The
20 video features the undersigned in a dunce cap, straight jacket and a jail booking placard that reads “CRAZY
21 DAVE”. [Exh. 1].

22 In the video at 8:32 Goodman proclaims:

23 08:47: GOODMAN. Why don't you release whatever evidence it is you think you have. And you can
24 intervene in the lawsuit. We all know it is a fake lawsuit.

25 Mr. Goodman then continues with his insinuations that the undersigned somehow assisted in some way
26 with regards to the Port of Charleston “Dirty Bomb Hoax” incident that took place on June 14, 2017.

27 08:54: GOODMAN. Is it possible that these guys are getting upset that I am talking about how they
28 orchestrated a bomb hoax. With the intention of putting me in jeopardy? [Exh. 1].

DECLARATION OF D. GEORGE SWEIGERT - 1

1 **DENIED.** The undersigned denies the notion – in its entirety – that he somehow assisted, aided, planned,
2 coordinated or executed any actions or activities associated with the reporting of a radiological device to the U.S.
3 Coast Guard Section Duty Officer in Charleston, South Carolina or 8,000 tweets sent to the 7th District Coast Guard
4 area Incident Command.

5 The undersigned has been driven to publishing a book about the above cited incident to clear his name from
6 the defendant's insinuations, accusations and allegations. The book is entitled "Report: Port of Charleston Dirty
7 Bomb Hoax and Social Media Liability". [Exh. 2].
8

9 **II. INSINUATIONS CONTINUE REGARDING NEW MEXICO ASSASSINATION PLOT**

10 Exhibit Three consists of a screen shot of another Jason Goodman YouTube video, entitled, "Serco's Four
11 Horsemen and the North Tower on 9/11 with Special Guest David Hawkins", May 29, 2018. [Exh.3]. The bulk of
12 the video is a discussion about conspiracy theories related to the 9/11/2001 collapse of the World Trade Center
13 Towers. At 1:00:01 Goodman proclaims:

14 01:00:01: GOODMAN. I do want to come back to one topic, though, can I? So you spoke about the
15 magnatron and this is amazingly coincidental. That you would bring this up in our conversation, today. I have
16 mentioned to you in the past ... uh ... my associate Quinn Michaels. And in about December Quinn suffered a
17 spontaneous collapse of his lung.....

18 01:00:37: GOODMAN. But, we speculated at the time .. uh .. that it could have been caused by a
19 microwave weapon. [Exh. 3]

20 **DENIED.** Again, the undersigned denies any notion – in its entirety – that he has some knowledge about
21 microwave weaponry, has used such weaponry, has become familiar with such weaponry or has any operational
22 weaponry. The notion that the undersigned is involved in microwave weapons, uses such weapons, has a
23 background in such weapons, or any other extrapolation of this notion is hereby denied.

24 In a video produced by Mr. Goodman, entitled, "The Anonymous DarkNet Cult of Michael", March 29
25 2018, Mr. Goodman proclaims ([Exh. 4]):

26 14:52. GOODMAN. And I would recommend that the people that may or may not be pursuing Quinn
27 should do the same thing.
28

DECLARATION OF D.GEORGE SWEIGERT - 2

1 15:00: GOODMAN. You and I saw some evidence that indicated that David Sweigert [the undersigned]
2 was aware of your [Quinn] location in Vaughn, New Mexico. How could he have possibly known that?

3 **DENIED.** Once again, the undersigned denies all insinuations, allegations and accusations that I had any
4 knowledge of the whereabouts of Quinn Michaels (Korey Atkin) when Mr. Michaels suffered the ruptured bleb on
5 his lung which occurred near Vaughn, New Mexico in December 2017.

6 The assertions by Mr. Goodman that the undersigned had some type of knowledge as to the whereabouts of
7 Mr. Michaels is completely denied in the most militant and strongest terms. This is a falsehood and devoid of truth.

8 48:44: GOODMAN. Robert David Steele's [plaintiff] stupid attorney sent me a letter – it is my opinion –
9 that he is stupid, and I am free to exercise my opinions saying he is a stupid man.

10 49:15: GOODMAN. David Sweigert [undersigned] has been very active in trying to create false evidence.
11 They all work together.

12 49:46: GOODMAN. Manual Chavez, Robert David Steele, David Sweigert all work together. [Exh. 4]

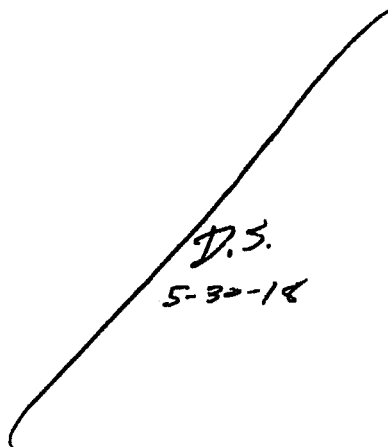

13 **DENIED.** Once again, the undersigned denies all insinuations, allegations and accusations that I had any
14 knowledge of plans, anticipated actions, activities, methods, techniques or any such appearance of cooperation with
15 any other party concerning issues related to Robert David Steele.

16 **DENIED.** Once again, the undersigned denies all insinuations, allegations and accusations that I have
17 created "fake evidence" or evidence of a fake nature. The notion of this allegation is denied in the strongest possible
18 terms in all its forms. This is a falsehood and devoid of truth.

The only report that has ever been written about the Port of Charleston, S.C. Dirty Bomb Hoax of June 14, 2017. This booklet describes how social media hoax news sites can attack America's critical infrastructure. Seemingly, these deception merchants operate with no threat of legal action. This fertile environment has allowed the consequence-free attacks on maritime ports, generation of hysteria of supposed assassination plots, and generate fear over unsafe consumer products. COMPLAINT OF D.

10 COMPLAINT OF TRANSMISSION OF HATE SPEECH

11 Now comes D. George Sweigert, a non-attorney layman and California licensed Emergency Medical Technician, to
 12 affirm and attest to the below facts under penalties of perjury. The undersigned attests and affirms that all attached
 13 exhibits are true and accurate copies of sources (such as Internet web sites). Contained herein on complaints against
 14 the Respondent for continued gross and reckless promotion of hate speech on its social media platform.

15 I. PATREON, INC.

16 PATREON, INC. maintains commercial office space at 230 9th Street, San Francisco, CA 94103 and 461
 17 28th Street, San Francisco, CA 94131. The following text appears on the web-site (as of June 1, 2018) advertised as
 18 <https://www.patreon.com/about>:

19 In 2013, YouTube musician Jack Conte was looking for a solution to his
 20 problem: millions of people loved his videos, but only hundreds of dollars were
 21 hitting his bank account. This didn't add up, so he drafted up an idea (hey, we're
 22 Patreon) and brought it to his college roommate Sam Yam, now co-founder of
 23 Patreon. Now it's 2018, and Patreon is the solution to this same problem for over
 24 100k creators.

25 Patreon controls the promulgation of "hate speech" via a mechanism known as the "Trust and Safety" team
 26 enforcement of Community Guidelines, as stated below from the web-site: <https://www.patreon.com/guidelines> : (as
 27 of May 30, 2018).

1 Please realize that Patreon is a diverse community and, while you may not
2 necessarily agree with someone's point of view, it may not be a violation of our
3 community guidelines. That said, when you see a page on Patreon that you feel
4 violates our community guidelines, please take the time to report them via our
5 reporting tool. You can read more about how to report a creator or a post [here](#).
6 The Trust & Safety team will review the report and if the Community
7 Guidelines have been violated, the team will get in touch with the creator to let
8 them know.

9 Also appearing on this web-site page is the following text (as of May 30, 2018):

10 **Bullying and Harassment:**

11 You cannot attempt to intimidate anyone, either directly or by using your
12 influence over others. We treat real life interactions more seriously than
13 online interactions when analyzing whether a line has been crossed, because it
14 can be more threatening and lead to physical violence. When both sides
15 engage in similar behavior, such as feuds between public figures, we are less
16 likely to take action.

17 **Threats:**

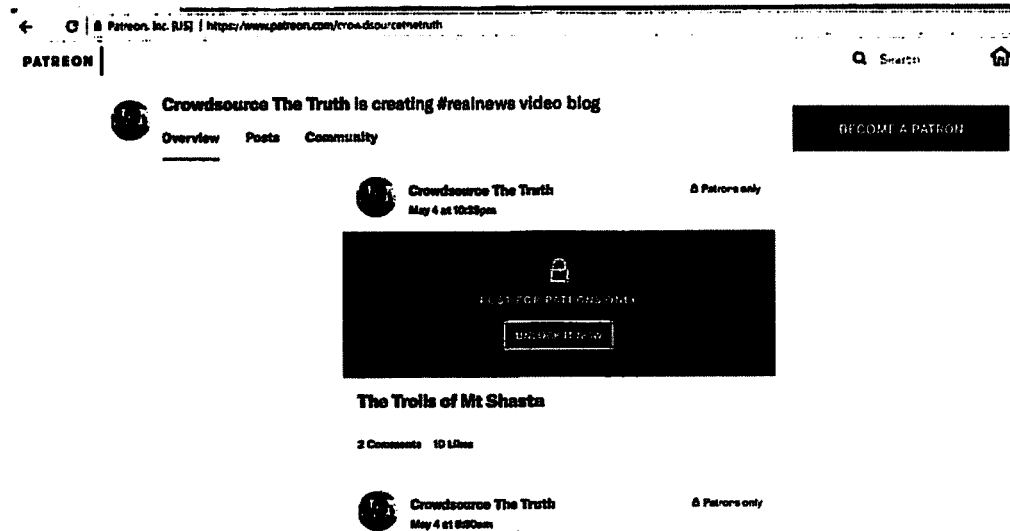

18 Anyone on Patreon should be able to express their opinion in a way that
19 doesn't threaten another person. In this respect, we take threats of violence
20 very seriously. Any creator or patron threatening the well-being of an
21 individual or group of people will be removed. This includes threatening
22 behavior such as stalking or inciting others to commit violent acts.

23 The adequacy and effectiveness of the Patreon "Trust and Safety" team is the core issue of the complaint.
24 The undersigned asserts that the Trust and Safety controls are ineffective. The net result of the ineffectiveness of
25 these controls has been to place the corporation in increased risk of serious civil litigation by the undersigned and
26 hundreds of others.

27 For example, Patreon has allowed the continued use of its platform by an individual known as Jason David
28 Goodman of 252 7th Avenue, #6S, New York, NY 10001. Mr. Goodman has created a non-legal name (unregistered
corporate name) known as "CrowdSource The Truth" (herein CSTT). CSTT has a long history for posting
defamatory, slanderous content based on perceived stereotypes that indict racial superiority on the part of Mr.
Goodman and his associates.

I. HATE SPEECH CONTENT

Mr. Goodman is fond of using stereotyping to create “triggers” as he calls it to activate the emotional response’s of his perceived rivals. Terms such as stupid, worthless, waste of oxygen and worm are terms that Mr. Goodman relies upon to describe the undersigned (a U.S. Air Force veterans with two Masters degrees).

In the dual posted video (posted to Patreon and YouTube simultaneously) entitled “The Trolls of Mt. Shasta” Mr. Goodman arranged for three additional people to focus an entire episode (36 minutes) solely on the undersigned.

Subject: Litigation hold -- Doxing and Harassment
To:
Colin Sullivan
Bar no. 285203
General Counsel
Patreon, Inc.

Dear Sir,

This notice requests that you begin the process of a litigation hold on all electronic evidence stored, processed or transmitted by your organization for the following account:

crowdsourcethetruth

The operator of this account is a defendant in a federal lawsuit:

Jason Goodman

This request is an evidence preservation request to prevent spoliation of electronic evidence that will be sought in federal litigation (please consult Federal Rules of Civil Procedure for guidance).

Mr. Goodman is a defendant to allegations that concern public doxing, copyright violations, harassment and hate speech. All which appear to violate the community standards policy of Patreon.

Recently, Mr. Goodman has allegedly published a series of videos on your platform that attack the privacy, physical characteristics, and intelligence of private citizens in the State of California that Mr. Goodman perceives may be friends of the plaintiff in this federal lawsuit.

Therefore, as your company holds this evidence, and as it will be required to be admitted into the court record, a strong request is hereby made that you preserve this evidence (account application, invoices, payments, video content, records of messages, transactions with Mr. Goodman, etc.).

As many of these actions allegedly violate California privacy laws, there is an increased duty to preserve these records as follow-up complaints shall be lodged with the California Attorney General with a copy of this notification.

If your organization allows this behavior to persist, serious consideration will be given to adding Patreon as a co-defendant in this federal litigation -- as your company will only be aiding in the distribution of the offense material.

This is a very serious matter as law enforcement has become involved.

Thank you.

6. Your Content and Conduct

- A. As a YouTube account holder you may submit Content to the Service, including videos and user comments. You understand that YouTube does not guarantee any confidentiality with respect to any Content you submit.
- B. You shall be solely responsible for your own Content and the consequences of submitting and publishing your Content on the Service. You affirm, represent, and warrant that you own or have the necessary licenses, rights, consents, and permissions to publish Content you submit; and you license to YouTube all patent, trademark, trade secret, copyright or other proprietary rights in and to such Content for publication on the Service pursuant to these Terms of Service.
- C. For clarity, you retain all of your ownership rights in your Content. However, by submitting Content to YouTube, you hereby grant YouTube a worldwide, non-exclusive, royalty-free, sublicenseable and transferable license to use, reproduce, distribute, prepare derivative works of, display, and perform the Content in connection with the Service and YouTube's (and its successors' and affiliates') business, including without limitation for promoting and redistributing part or all of the Service (and derivative works thereof) in any media formats and through any media channels. You also hereby grant each user of the Service a non-exclusive license to access your Content through the Service, and to use, reproduce, distribute, display and perform such Content as permitted through the functionality of the Service and under these Terms of Service. The above licenses granted by you in video Content you submit to the Service terminate within a commercially reasonable time after you remove or delete your videos from the Service. You understand and agree, however, that YouTube may retain, but not display, distribute, or perform, server copies of your videos that have been removed or deleted. The above licenses granted by you in user comments you submit are perpetual and irrevocable.
- D. You further agree that Content you submit to the Service will not contain third party copyrighted material, or material that is subject to other third party proprietary rights, unless you have permission from the rightful owner of the material or you are otherwise legally entitled to post the material and to grant YouTube all of the license rights granted herein.
- E. You further agree that you will not submit to the Service any Content or other material that is contrary to the YouTube Community Guidelines, currently found at https://www.youtube.com/t/community_guidelines, which may be updated from time to time, or contrary to applicable local, national, and international laws and regulations.
- F.
